1.0 INTRODUCTION

The *Atlanta Cricket League (ACL)* is responsible for the governance of cricket and the Code of Conduct for Players and Player Support Personnel related to ACL's leagues, tournaments and events. **"Code of Conduct"** is adopted and implemented as part of ACL's continuing efforts to maintain the public image, popularity and integrity of cricket by providing:

- an effective means to deter any participant from conducting themselves improperly on and off the field-of-play or in a manner that is contrary to the Spirit of Cricket; and
- a robust and proportionate disciplinary procedure pursuant to which all matters of improper conduct can be dealt with fairly, with certainty and in an expeditious manner.

This document is broadly based on the *International Cricket Council's (ICC) Code of Conduct* and applied to ACL requirements. All cricketing violations not covered in this document will be processed as per *ACL Rules and Regulations* document, and those not covered in ACL documents will be processed per ICC's Code of Conduct.

The ACL conducts multiple leagues as a part of its portfolio and includes hard tennis ball leagues and tournaments, cricket ball leagues and tournaments through the season. This document is to be used by all hard tennis ball leagues, tournaments and events conducted by the ACL. The cricket ball leagues will follow ICC's Code of Conduct.

ACL's Disciplinary committee is responsible for enforcing the Code of Conduct for Players and Player Support Personnel (the 'Code of Conduct'). This is a living document and will be updated as necessary. ACL owns and keeps all rights to the document.

2.0 SCOPE AND APPLICATION

- 2.1** All *Players* and *Player Support Personnel* are automatically bound by and required to comply with all of the provisions of the *Code of Conduct*. Accordingly, by their participation (in the case of a *Player*) or assistance in a *Player's* participation (in the case of a *Player Support Personnel*) in an *ACL Match*, such *Players* or *Player Support Personnel* shall be deemed to have agreed:
- that it is their personal responsibility to familiarize themselves with all the requirements of the *Code of Conduct*, including what conduct constitutes an offence under the *Code of Conduct*;
 - to submit to the exclusive jurisdiction of ACL's Disciplinary Committee or *Appeal Panel* convened under the *Code of Conduct* to hear and determine charges brought (and any appeals in relation thereto) pursuant to the *Code of Conduct*.
- 2.2** All *Players* and *Player Support Personnel* shall continue to be bound by and required to comply with the *Code of Conduct* as he/she participated (in the case of a *Player*), or assisted a *Player's* participation (in the case of a *Player Support Personnel*) in an *ACL match or event* till the end of the ACL season (includes leagues, tournaments and events).
- 2.3** Without prejudice to the above sections; ACL expects team captains, sponsors and other influencers to be responsible for promoting Code of Conduct awareness and education amongst all *Players* and *Player Support Personnel*.
- 2.4** It is acknowledged that certain *Players* and *Player Support Personnel* may participate in other leagues and tournaments with their own Codes of Conduct. For the avoidance of any doubt, *Players* and *Player Support Personnel* acknowledge and agree that: (a) the Code of Conduct is not intended to limit the responsibilities of any *Player* or *Player Support Personnel* under such other rules; and (b) nothing in such other rules shall be capable of removing, superseding or amending in any way the jurisdiction of ACL Disciplinary Committee to determine matters properly arising pursuant to the Code of Conduct.
- 2.5** For the avoidance of any doubt: all Umpires and Match Referees officiating in any ACL matches are automatically bound by and required to comply with all the provisions of ACL's Code of Conduct.
- 2.6** An ACL match (referred to as "match" or "event") constitutes of any ACL cricket match or event during the entire ACL season and includes league matches, knock-out tournaments, captain's meetings, events and functions.
- 2.7** An ACL match (referred to as "match" or "event") constitutes of any ACL cricket match or event during the entire ACL season and includes league matches, knock-out tournaments, captain's meetings, events and functions.
- 2.8** This document is intended as a guiding document for disciplinary issues. It is understood that all possible violations may not be known and described on this document. The ACL appeals committee will use its judgment for any violations and penalties not covered under this document.

- 2.9** Umpiring errors on game day are not under scope of this document, unless there is intentional favoritism displayed by the umpires. Umpiring mistakes and errors on game day will continue to be resolved with the game referee/weekend coordinator. All teams must follow umpire's decision.
- 2.10** **ACL reserves the right to amend/update the code of conduct at its discretion.**

3.0 THE PREAMBLE

The Preamble sets out the definition of the Spirit of Cricket, as follows:

The Spirit of Cricket

Cricket owes much of its appeal and enjoyment to the fact that it should be played not only according to the Laws (which are incorporated within these Playing Conditions), but also within the Spirit of Cricket.

- The major responsibility for ensuring fair play rests with the captains, but extends to all players, umpires and, especially in junior cricket, teachers, coaches and parents.
- Respect is central to the Spirit of Cricket.
- Respect your captain, team-mates, opponents and the authority of the umpires.
- Play hard and play fair.
- Accept the umpire's decision.
- Create a positive atmosphere by your own conduct and encourage others to do likewise.
- Show self-discipline, even when things go against you.
- Congratulate the opposition on their successes and enjoy those of your own team.
- Thank the officials and your opposition at the end of the match, whatever the result.

Cricket is an exciting game that encourages leadership, friendship and teamwork, which brings together people from different nationalities, cultures and religions, especially when played within the Spirit of Cricket.

4.0 CODE OF CONDUCT

The conduct described in the following section amounts to conduct which breaches the Spirit of Cricket and therefore, if committed by a *Player* or *Player Support Personnel*, shall amount to an offence by such *Player* or *Player Support Personnel* under the *Code of Conduct*.

The Code of Conduct offences cover a variety of different behaviors and levels of seriousness. It is not intended to penalize trivial behavior. For the purpose of determining the appropriate sanction for an offence, levels of charging have been assigned for each offence, ranging from Level 1 for conduct of a minor nature, up to Level 4 for conduct of an extremely serious nature. Where an offence is alleged to have been committed, the individual reporting the alleged offence must determine which of the assigned levels of offence is appropriate for the conduct in question. Reports can only be laid at the levels identified in respect of each offence below.

For the purposes of the Code of Conduct, the phrase “during an ACL Match” should be interpreted broadly to cover all conduct which takes place at the ground on the day of an ACL Match, and not just conduct which takes place on the field of play. It will therefore include conduct which takes place off the field of play, for example team dug-outs, seating areas, pavilion, or during any of the intervals in the match. This also applies to team support personnel, whether supporting or cheering the team.

For the avoidance of doubt, the ACL’s jurisdiction to act against a Player or Player Support Personnel under this Code of Conduct is limited to incidents which take place:

- during, or in relation to, an ACL or
- during, or in relation to, an ACL event. In circumstances where a Player or Player Support Personnel is involved in an off-field incident which may warrant action under this Code of Conduct it will be limited to offences before, during, or after the match
- When players feel personally threatened due to aggressiveness of a person/team on the field (and including parking lots) or are a victim of an altercation, players are advised to immediately contact the game referee and/or local law enforcement depending on the threat.

Conduct violation is defined as any violation by individual or team that is considered serious enough to impact ACL adversely with the player community, park officials or law enforcement.

When multiple levels are marked, the ACL Disciplinary Committee can assess the severity and decide penalties accordingly. Also, offense levels may be upgraded to higher levels on multiple offenses of the same kind. For example, even if an offense is a Level 1 offense, multiple occurrences of the same offense could lead to a Level 2, 3 or 4 offense as decided by the disciplinary committee.

ACL reserves the right to amend/update this code of conduct at its discretion.

5.0 COMPLIANCE CODES

The ACL is organized, managed and officiated entirely by volunteers. These volunteers rely on the timeliness and accuracy of the information requested or required as a part of the efficient operation of the leagues and tournaments.

Compliance violations are defined as any violation by individual or team that will put ACL operations or league in jeopardy.

When multiple levels are marked, the ACL Disciplinary Committee can assess the severity and decide penalties accordingly. Also, offense levels may be upgraded to higher levels on multiple offenses of the same kind.

5.1	Forfeiting a game without at least 2 days’ notice to the ACL Organizing Committee			
ACL provides a schedule to include date/time/location of the matches. This includes renting fields, assigning umpires as well as other resources to complete the match.				
A team that forfeits a match at the last moment disrupts the league in multiple ways including:				
<ul style="list-style-type: none"> • opposing team though prepared to play the match does not get to play one • umpiring team has made the effort to assign umpires to officiate the match • ACL committee has reserved, rented and paid for a field that match would be conducted

5.2	Playing an ineligible player any ACL matches.			
This includes playing the match as a team member or a substitute –				
<ul style="list-style-type: none"> • Player played for another ACL team in the same calendar year and for the same tournament, or • Player does not meet minimum matches requirement. 				
<i>In the case of a player playing under a false identity the umpire can immediately suspend the player.</i>

5.3	Falsifying Records or Playing a player in a game with false identity			
<p>Teams and umpires rely on the integrity of team captains to field players on the ACL approved roster.</p> <ul style="list-style-type: none"> • Team captains have a right to verify the identity of players taking the umpire’s assistance • Players must have a form of identification and produce it when requested by the umpires • Intentional score changes or misrepresenting anything on the score-sheets will be a compliance code violation. It is ultimately the team captain’s responsibility and the acting captain’s responsibility to ensure correct information is provided to ACL. This is true even when ACL sends a communication which based on information provided by the team. The captains (acting captain for the day, vice-captain, captain) of the team jointly ultimately bear the responsibility for providing accurate information and will be held accountable for any misrepresentation. <p><i>In the case of a player playing under a false identity the umpire can immediately suspend the player and/or the match. This could also be a ground to overturn the game result based on the decision of the disciplinary committee.</i></p>

5.4	Delaying the start of a game by 15 minutes or more			
<p>The ACL rents public parks for a limited time to conduct matches. These public parks rely on the timeliness of ACL matches to prepare fields for activities that follow cricket. It is imperative that matches start and finish on time. Future rentals are impacted if we do not adhere to allocated times. Start includes activities like:</p> <ul style="list-style-type: none"> • Warm-ups completed • Home/Visiting team have their kit and provided the stumps for set-up • Home team has set-up the boundaries and marked the pitch/crease • Toss and accompanying decision made • Line-ups exchanged • Teams ready to commence the matches at the scheduled time <p>Finish includes activities like:</p> <ul style="list-style-type: none"> • Removing boundary markers and cones • Vacating field and dug-outs • Cleaning the dug-outs/remove trash <p>It is understandable that matches can be delayed for a variety of reasons:</p> <ul style="list-style-type: none"> • Weather (rain, lightening) • Lost ball • Injuries <p>But every effort should be made by the umpires and team captains to complete the match on time using ACL Rules & Regulations to adjust the number overs or other considerations.</p>

5.5	Timely submission of scoresheets and other information (if required)			
<p>Scoresheets (online & scanned copies) are an integral part of the league operations. Online scorecards are submitted by the team captains, while the scanned scoresheets are submitted by the umpires.</p> <p>Scoresheets are to be submitted by the end of Tuesday (for the concluded matches that weekend). Online scorecards must be entered by the end of the week of when the match concluded.</p> <p>The information is used for:</p> <ul style="list-style-type: none"> • Team position within the division • Identifying players of the week • Calculating Net Run Rate • Play-off rankings, to mention a few uses <p>Late submission of scoresheets inhibits the ACL team to complete statistics related to that week-end’s matches and associated activities.</p> <p>Scoresheet violations can include, (refer to ACL Rules & Regulation on scoresheets):</p> <ul style="list-style-type: none"> • Incomplete scoresheets (online or scanned) • Missing scoresheets (online or scanned) 				
OFFENSE LEVEL	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
	✓	✓	✓	

5.6	Umpiring assignments			
<p>ACL is an all-volunteer league. All teams not playing matches on a given week-end are required to provide umpires for matches on their “bye” weeks. This could range from one to three pairs of umpires. It is expected that the umpires provided are familiar or make themselves familiar with the ACL Rules & Regulations, including this Code of Conduct.</p> <p>Umpiring violations include:</p> <ul style="list-style-type: none"> • Umpire’s names/information not provided by the end of Thursday for the following week-end’s match • Assigned umpires arriving late/being tardy (should arrive at least 15 minutes before the scheduled start of the match) or taking more time after the scheduled break or any other reason for delaying the game during the scheduled play time. • No show – the assigned umpires do not show-up for the match, including sending only one umpire to the match

6.0 ACTIONS – FINES & PENALTIES

The following are general guidelines for actions and penalties related to the offenses covered in the Conduct Code and Compliance Code.

Fines are monetary penalties imposed on an individual and/or a team payable before the team plays its next match.

Penalties are suspensions of an individual and/or a team for a specified number of matches.

Offense levels can be attributed to either the individual, the team or both individual and team. The monetary fines and match suspension penalties are only guidelines. The ACL Disciplinary Committee will have to assess the circumstances, context and severity, and base their decisions.

OFFENSE LEVEL	Individual – Fine	Team – Fine	Individual – Penalty	Team - Penalty
Level 1	\$25	\$50	N/A	N/A
Level 2	\$50	\$100	YES	N/A
Level 3	\$75	\$150	YES	YES
Level 4	\$100	\$200	YES	YES

While the above are guidelines, additional penalties can be imposed.

Individual penalties for

- ✓ Level 2 could be up to 2 games
- ✓ Level 3 could be up to 4 games
- ✓ Level 4 could be up to 6 games or entire season

Team penalties for

- ✓ Level 3 could result in 4 points deduction
- ✓ Level 4 could either result in 6 points deduction or game awarded to opponents depending on what stage in the tournament the offence was committed.

In certain situations, penalties may be applied to the next stage of the tournament, or to the next playable game for another season for the individual or the team. When penalties are applied to a specific player, they will be responsible for fines/penalties irrespective of the future team they decide to play with.

7.0 THE PROCESS

Any incidents, events or actions that go against the spirit of the Atlanta Cricket League (ACL) or the spirit of the game may be considered a violation, even if it may not have been listed in this document.

7.1 Identification & Reporting

The complaint has to be in writing by end of day Monday (following the match) i.e. Umpire's Match Report or formal e- mail to ACL. Violations can be reported to the ACL Disciplinary Committee using multiple methods –

- Info@atlantacricicketleague.org
- Appeals@atlantacricicketleague.org
- Umpires can use the match report to report any violations

Violation reports should include the following detail (the detail that is provided helps the ACL Disciplinary Committee to determine a fair resolution) –

- Match – Date, Time, Match Number, Ground, Home Team, Visiting Team
- Team – Captains Names
- Umpires – Team Name, Umpires Names
- Violations Reported – Detailed description of the reported violation (be very descriptive and detailed)
- Additional individuals that can be contacted as witnesses to the violations (Name(s), Team Name(s) if applicable)

As needed, the disciplinary committee may, at its own discretion, look at older records to establish a pattern for certain violations.

7.2 Assessment

The Appeals Committee will consider the complaint and address it with the teams directly.

The Appeals Committee reserves the “right to refuse” to address any complaints/explanations/comments from an individual or a team if derogatory remarks have been made towards the ACL or its committees.

The assessment of appeals will be prioritized based on team schedules i.e. the earlier your next match, the earlier your appeal will be addressed – the ACL Disciplinary Committee will address the appeal by Thursday before the match.

The Appeals Committee may solicit input from individuals listed on the formal report e.g. umpires, team captains, players and may extend it to the Organizing Committee or the ACL Board.

The Appeals Committee will determine the course of action and related penalties and if required inform/involve the Organizing Committee and/or the match referee.

7.3 Decisions & Communications

Decisions and actions made by the ACL Disciplinary Committee are independent and final and will be communicated to the Organization Committee.

Any violations/penalties will be communicated by the Organizing Committee.

The ACL Disciplinary/Organizing Committee will provide detailed reasons while classifying a certain violation in any of the category mentioned above.

A report will be sent to all the team representatives for the perusal only.

The player/team's monetary penalty will be due to the ACL before the team's next game, failure to do so will result in the team's subsequent games being forfeited regardless of the results.

ACL reserves the right to include additional sets of violations as well as the right to change the fines and penalties.

7.4 Appealing a decision

Teams or individuals are allowed to appeal a decision once provided that additional information re: the offense is provided during the appeal process. If no appeal is made or no additional information is provided, the disciplinary committee's original decision and penalties imposed will remain the same.
